Multi Purpose Packaging for Better Living

Our HDPE Packer Bottles are designed for convenient filling and dispensing of tablets, capsules, or soft gels, making them popular in the pharmaceutical, over-the-counter,and nutraceutical markets. HDPE resin gives them impact resistance and a strong moisture barrier.

We carry standard sizes from 25 - 950 cc with neck finishes from 28-400 to 53-400. Stock color is white but custom shapes, colors, and materials, are available. All bottles are recyclable and can be produced from 0 - 100% post consumer materials (PCR) upon request.
